SUMMARY

Abdelrahman Sherif, a skilled web developer, excels in crafting visually appealing web applications. As a recent graduate with academic excellence from Teesside University, he is committed to delivering exceptional user experiences through innovative web development.

EXPERIENCE

Web Developer

Freelancer

August 2022 – Present, Dubai

- Developed landing pages for Falcon Island and Bait Al Bahar using HTML, CSS, JavaScript, Bootstrap, and jQuery.
- Designed and implemented Baazex's webpage form and admin panel using HTML, CSS, JavaScript, Bootstrap, PHP, and MySQL.
- Created a Python script for Arazone on Telegram, enhancing communication efficiency.
- The 'Asanes Used Cars Showroom' graduation project involved the creation of a sophisticated web application comprising a user-friendly customer interface and a robust management system, streamlining the car buying process and providing efficient tools for showroom staff.

EDUCATION

Bachelor Of Science

Minor in Computing • Teesside University • United Kingdom • 2023 • 3.45

PROJECTS

ASANES Used Cars Showroom

Graduation Project • <http://asanes.epizy.com/> • February 2023 – May 2023

- Developed a smart web shop for used car dealerships, showcasing proficiency in designing and implementing admin and client panels.
- Utilized HTML, CSS, JavaScript, Bootstrap, jQuery, and libraries to create an impressive and feature-rich front-end for the web shop.
- Employed PHP, AJAX, and MySQL for seamless back-end operations, ensuring efficient data management for the used car showroom.

Bait Al-Bahar Landing Page

<https://asanes19.github.io/baitAlbahar/> • August 2023 – September 2023

- Showcase of luxurious furnished properties in Ajman's Al Rashidiya area, emphasizing premium quality and comfort.
- The website boasts excellent SEO optimization (100%), strong adherence to best practices (92%).
- Exceptional accessibility (97%), and impressive performance (90%).

Falcon Island Landing Page

<https://asanes19.github.io/FalconIsland/> • October 2021 – November 2021

- Developed a high-converting landing page using HTML, JavaScript, jQuery, Bootstrap, and CSS, achieving a 30% conversion rate.
- Improved SEO, A/B testing, and code optimization to drive 45% more organic traffic, enhancing user experience and website performance.
- Completed first professional project in a month, delivering responsive website with faster loading times and 35% lower bounce rates.

Baazex Web Page

<https://asanes19.github.io/Baazex/> • September 2023 – September 2023

- User-friendly copy trading platform with a dynamic multi-step form.
- Bootstrap and PHP-MySQL integration for seamless user experience and efficient data management.
- Stylish design with Google Fonts and Font Awesome, highlighting expertise in HTML, CSS, JS, PHP, MySQL, and Bootstrap.

CERTIFICATE OF COMPLETION

This is to certify that Abdelrahman sherif ezzat has successfully completed the Smart Web Shop For ASANES Used Car Dealership Management project for Mohamed Al Khodari Used Cars exhb. The project was initiated on 10/1/2022 and was completed on 5/10/2023.

The scope of the project involved The project is a web application for a used car showroom, consisting of two sides: a website and a management system. The website allows customers to view available cars, sell their cars, request a specific car, view car news, bid on cars, and take virtual test drives and 360-degree interior tours. The management system allows staff to manage the system, insert and display car and customer information, sell cars, and generate monthly reports. The application is built using HTML, CSS, JavaScript, PHP, Bootstrap, SwiperJS, and MySQL.

Throughout the project, Abdelrahman sherif ezzat demonstrated exceptional professionalism, communication, and problem-solving skills. The quality of work and deliverables exceeded our expectations and contributed significantly to the success of the project.

We are grateful for the dedication and hard work of Abdelrahman sherif ezzat and are pleased to present this certificate of completion. We wish Abdelrahman sherif ezzat continued success in their future endeavors.
